A. Purpose:

The mission of the Exchange is to increase the number of insured Californians, improve health care quality, lower costs, and reduce health disparities through an innovative, competitive marketplace that empowers consumers to choose the health plan and providers that give them the best value.

The Exchange is creating a new marketplace that will assist individuals that may be eligible for Medi-Cal and will offer subsidized health care coverage in the form of premium assistance and cost sharing reductions to individuals and families with incomes between 138% - 400% of the Federal Poverty Level limits. Premium assistance and/or cost sharing reductions will only be available to consumers in California through the Exchange. Consumers will not be able to obtain premium assistance and/or cost sharing reductions through the private health insurance market. Regardless of whether a consumer is determined to be eligible for subsidies, the Exchange will provide access to coverage and premiums in an easy to access and understandable format at the same price that is available in the outside market.

The Exchange will operate a Small Business Health Options Program (SHOP) that offers small businesses and their employees, new health insurance options. The SHOP is designed specifically for employers with 50 or fewer eligible employees and offers affordable health coverage through of a variety of health insurance

The authority to enter into this Agreement arises from Government Code Section 100503, subparagraph (s), where the Exchange is directed to “Exercise all powers reasonably necessary to carry out and comply with the duties, responsibilities, and requirements of this act [California Patient Protection and Affordable Care Act] and the federal act [Patient Protection and Affordable Care Act (Public Law 111-148)].” Furthermore, under 45 Code of Federal Regulations section 155.220, the Secretary of the United States Health and Human Services has promulgated regulations allowing for the participation of Agents in the Exchange.

Business Associate Agreement

This Business Associate Agreement (this "Agreement") dated _____, 2013, between the California Health Benefit Exchange ("Covered Entity") and _____ ("Business Associate") is entered into in accordance with the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), as codified at 42 USCA §1320d-d8, and its implementing regulations at 45 C.F.R. Parts 160, 162 and 164 (the "HIPAA Regulations"); and the Health Information Technology for Economic and Clinical Health Act, enacted as part of the American Recovery and Reinvestment Act of 2009, and its attendant regulations and guidance (the "HITECH Act").

Purpose of the Agreement

Business Associate provides certain services on behalf of Covered Entity that require the Covered Entity to disclose certain identifiable health information to Business Associate. The parties desire to enter into this Agreement to permit Business Associate to have access to such information and comply with the business associate requirements of HIPAA, the HIPAA Regulations, and the HITECH Act, as each may be amended from time to time in accordance with the terms and conditions set forth in this Agreement. The Parties (Business Associate and Covered Entity) hereby agree as follows:

Definitions: Unless otherwise specified, in this Agreement, all capitalized terms used in this Agreement not otherwise defined have the meaning established for the purposes of Title 45 parts 160 and 164 of the United States Code of Federal Regulations, as amended from time to time, and the HITECH Act.

I. Business Associate Obligations.

- 1. Applicable Law.** The terms and conditions set forth in this Agreement shall become effective on the later of the effective date of this Agreement, April 14, 2003, or any new mandatory compliance date established for HIPAA, the HIPAA Regulations and/or the HITECH Act. The parties acknowledge and agree that the HIPAA Regulations and HITECH Act may be amended and additional guidance and/or regulations may be issued after the date of the execution of this Agreement and may affect the parties' obligations under this Agreement ("Future Directives"). The parties agree to abide by such Future Directives as these Future Directives may affect the obligations of the parties. If Future Directives affect the obligations of the parties, then Covered Entity shall notify Business Associate of Future Directives in writing within thirty (30) days before Future Directives are effective. The notification of Business Associate by Covered Entity of Future Directives that affect the obligations of

**EXHIBIT D
(Agent Agreement)**

the parties related to the Business Associate relationship shall be considered amendments to this Agreement binding on both parties.

- 2. Permitted Uses and Disclosures.** Business Associate shall not, and shall ensure that its directors, officers, employees, contractors and agents do not, further use or disclose patient individually identifiable health information (“Protected Health Information” or “PHI”) received from or created for the Covered Entity in any manner that would violate the HIPAA Regulations, HITECH Act or Future Directives. Business Associate agrees to abide by the HIPAA Regulations with respect to the use or disclosure of Protected Health Information it creates, receives from, maintains, or electronically transmits for the Covered Entity as if the Business Associate were considered a health care provider under the HIPAA Regulations. Business Associate further agrees that it will not use or disclose Protected Health Information beyond the purposes set forth in the Agreement. Except as otherwise limited in this Agreement, Business Associate may use or disclose PHI to perform functions, activities, or services for, or on behalf of, the Covered Entity as specified in that certain Agreement between the parties, provided that such use or disclosure would not violate HIPAA, the HIPAA Regulations or the HITECH Act if done by Covered Entity or the minimum necessary policies and procedures of the Covered Entity.
- 3. Compliance with Business Associate Agreement and HITECH Act.** Effective February 17, 2010, Business Associate may use and disclose PHI that is created or received by Business Associate from or on behalf of Covered Entity if such use or disclosure, respectively, complies with each applicable requirement of 45 C.F.R. § 164.504(e) and the HITECH Act. The additional requirements of Subtitle D of the HITECH Act that relate to privacy and that apply to covered entities also will apply to Business Associate and are incorporated into this Agreement by reference.
- 4. Use of PHI for Administrative Activities.** Notwithstanding Section 1.2 above, Business Associate may use or disclose PHI for management and administrative activities of Business Associate or to comply with the legal responsibilities of Business Associate; provided, however, the disclosure or use must be required by law or Business Associate must obtain reasonable assurances from the third party that receives the Protected Health Information that they will (i) treat the Protected Health Information confidentially and will only use or further disclose the Protected Health Information in a manner consistent with the purposes that the Protected Health Information was provided by Business Associate; and (ii) promptly report any breach of the confidentiality of the Protected Health Information to Business Associate. Provided further that, Business Associate will notify Covered Entity

(Agent Agreement)**

immediately upon receipt of a request for any disclosure of PHI required by law.

- 5. Accounting.** Business Associate agrees to document disclosures of PHI and collect information related to such disclosures as would be required for Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528 and, if required by and upon the effective date of, Section 13405(c) of the HITECH Act and related regulatory guidance.

 - a) Business Associate agrees to provide to Covered Entity or an Individual upon Covered Entity's request, information collected in accordance with this Section, to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528 and, if required by and upon the effective date of, Section 13405(c) of the HITECH Act and related regulatory guidance.
- 6. Restriction.** Effective February 17, 2010, and notwithstanding 45 C.F.R. § 164.522(a)(1)(ii), Business Associate must comply with an Individual's request under 45 C.F.R. § 164.522(a)(1)(i)(A) that Business Associate restrict the disclosure of PHI of the Individual if (1) except as otherwise required by law, the disclosure is to a health plan for purposes of carrying out payment or health care operations (and is not for purposes of carrying out treatment); and (2) the PHI pertains solely to a health care item or service for which the health care provider involved has been paid out of pocket in full.
- 7. Fundraising.** Any written fundraising communication occurring on or after February 17, 2010 that is a health care operation shall, in a clear and conspicuous manner and consistent with guidance to be provided by the Secretary, provide an opportunity for the recipient of the communications to elect not to receive any further such communication. An election not to receive any further such communication shall be treated as a revocation of authorization under Section 45 C.F.R. § 164.508. However, no communication pursuant to this Section may be made by Business Associate without prior written authorization by Covered Entity.
- 8. Sale of PHI.** Upon the effective date of Section 13405(d) of the HITECH Act , Business Associate shall not directly or indirectly receive remuneration in exchange for PHI that is created or received by Business Associate from or on behalf of Covered Entity unless: (1) pursuant to an authorization by the Individual in accordance with 45 C.F.R. §164.508 that includes a specification for whether the PHI can be further exchanged for remuneration by the entity

However, in no instance may Business Associate receive remuneration pursuant to this Section without Covered Entity's written authorization.

- 9. Marketing.** A communication occurring on or after February 17, 2010 by Business Associate that is described in the definition of marketing in 45 C.F.R. §164.501(1)(i), (ii) or (iii) for which Covered Entity receives or has received direct or indirect payment (excluding payment for treatment) in exchange for making such communication, shall not be considered a health care operation unless: (1) such communication describes only a drug or biologic that is currently being prescribed for the recipient of the communication and any payment received in exchange for making such a communication is reasonable in amount; or (2) the communication is made by Business Associate on behalf of the Covered Entity and the communication is otherwise consistent with this Agreement. However, no communication pursuant to this Section may be made by Business Associate without prior written authorization by Covered Entity.
- 10. Safeguarding the Privacy of PHI.** Business Associate agrees that it shall utilize physical, administrative and technical safeguards to ensure that PHI is not used or disclosed in any manner inconsistent with this Agreement or the purposes for which Business Associate received PHI from or created PHI for the Covered Entity. Business Associate further agrees to implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of any PHI that Business Associate creates, receives, maintains or transmits electronically on behalf of Covered Entity under the Agreement. Upon request, Business Associate shall provide the Covered Entity with a written description of the physical, administrative and technical safeguards adopted by Business Associate to meet its obligations under this Section.
- 11. Security Safeguards.** Business Associate acknowledges that, effective February 17, 2010, 45 C.F.R. §§ 164.308, 164.310, 164.312 and 164.316 will apply to Business Associate in the same manner that such sections apply to covered entities and are incorporated into this Agreement by reference. The additional requirements of the HITECH Act that relate to security and that apply to covered entities also will apply to Business Associate and are incorporated into this Agreement by reference. Business Associate agrees to implement the technical safeguards provided in guidance issued annually by the Secretary for carrying out the obligations under the Code of Federal

Regulation sections cited in this Section and the security standards in Subpart C of Part 164 of Title 45 of the Code of Federal Regulations.

12. Breach Notification. Business Associate agrees to implement response programs and record-keeping systems to enable Business Associate to comply with the requirements of this Section and 13402 of the HITECH Act and the regulations implementing such provisions, currently Subpart D of Part 164 of Title 45 of the Code of Federal Regulations, when Business Associate detects or becomes aware of unauthorized access to information systems or documents that contain PHI. Business Associate agrees to mitigate any effects of the inappropriate use or disclosure of PHI by Business Associate.

a) Business Associate agrees to notify Covered Entity, by facsimile or telephone, of any breach or suspected breach of its security related to areas, locations, systems, documents or electronic systems which contain unsecured PHI, including, without limitation, any Security Incident, instance of theft, fraud, deception, malfeasance, or use, access or disclosure of PHI which is inconsistent with the terms of this Agreement (an "Incident") immediately upon having reason to suspect that an Incident may have occurred, and typically prior to beginning the process of verifying that an Incident has occurred or determining the scope of any such Incident, and regardless of the potential risk of harm posed by the Incident. Notice shall be provided to the Covered Entity's representative designated in this Agreement. Upon discovery of a breach or suspected Incident, Business Associate shall take:

- i. Prompt corrective action to mitigate any risks or damages involved with the breach and to protect the operating environment; and

b) In the event of any such Incident, Business Associate shall further provide to Covered Entity, in writing, such details concerning the Incident as Covered Entity may request, and shall cooperate with Covered Entity, its regulators and law enforcement to assist in regaining possession of such unsecured PHI and prevent its further unauthorized use, and take any necessary remedial actions as may be required by Covered Entity to prevent other or further Incidents.

c) If Covered Entity determines that it may need to notify any Individual(s) as a result of such Incident that is attributable to Business Associate's breach of its obligations under this Agreement, Business

(Agent Agreement)**

Associate shall bear all reasonable direct and indirect costs associated with such determination including, without limitation, the costs associated with providing notification to the affected Individuals, providing fraud monitoring or other services to affected Individuals and any forensic analysis required to determine the scope of the Incident.

d) In addition, Business Associate agrees to update the notice provided to Covered Entity under Section 12(a) of this Agreement of such Incident to include, to the extent possible and as soon as possible working in cooperation with Covered Entity, the identification of each Individual whose unsecured PHI has been, or is reasonably believed by Business Associate to have been accessed, acquired, used or disclosed during the Incident and any of the following information Covered Entity is required to include in its notice to the Individual pursuant to 45 C.F.R. §164.404(c):

- i. A brief description of what happened, including the date of the Incident and the date of discovery of the Incident, if known;

e) Such additional information must be submitted to Covered Entity immediately at the time the information becomes available to Business Associate.

f) If the cause of a breach of PHI is attributable to Business Associate or its agents, subcontractors or vendors, Business Associate is responsible for all required reporting of the breach as specified in 42 U.S.C. section 17932 and its implementing regulations, including, without limitation, notification to media outlets and to the Secretary of the Department of

(Agent Agreement)**

Health & Human Services. If a breach of unsecured PHI involves more than 500 residents of the State of California or its jurisdiction, Business Associate shall notify the Secretary of the breach immediately upon discovery of the breach. If Business Associate has reason to believe that duplicate reporting of the same breach or incident may occur because its subcontractors, agents or vendors may report the breach or incident to Covered Entity in addition to Business Associate, Business Associate shall notify Covered Entity, and Covered Entity and Business Associate may take appropriate action to prevent duplicate reporting.

13. Subcontractors and Agents of Business Associate. Business Associate agrees to enter into written contracts with any of its agents or independent contractors (collectively, "subcontractors") who receive PHI from Business Associate or create, maintain, or transmit electronically, PHI on behalf of the Covered Entity, as a subcontractor to Business Associate, and such contracts shall obligate Business Associate's subcontractors to abide by the same conditions and terms as are required of Business Associate under this Agreement. Upon request, Business Associate shall provide the Covered Entity with a copy of any written agreement or contract entered into by Business Associate and its subcontractors to meet the obligations of Business Associate under this Section.

a) Business Associate shall, upon knowledge of a material breach by a subcontractor of the subcontractor's obligations under its contract with Business Associate, either notify such subcontractor of such breach and provide an opportunity for subcontractor to cure the breach; or, in the event subcontractor fails to cure such breach or cure is not possible, Business Associate shall immediately terminate the contract with subcontractor.

b) To the extent that any of Business Associate's subcontractors will have access to any PHI that is created, maintained or transmitted electronically, Business Associate shall require such agents and subcontractors to agree to implement reasonable and appropriate safeguards to protect such electronic PHI.

14. Availability of Information to Covered Entity and Individuals. Business Associate agrees to provide access and information:

a) Business Associate shall provide access as may be required, and in the time and manner designated by Covered Entity (upon reasonable notice and during Business Associate's normal business hours) to PHI in a Designated Record Set, to Covered Entity (or, as directed by

Designated Record Set means the group of records maintained for Covered Entity that includes medical, dental and billing records about individuals; enrollment, payment, claims adjudication, and case or medical management systems maintained for Covered Entity health plans; or those records used to make decisions about individuals on behalf of Covered Entity. Business Associate shall use the forms and processes developed by Covered Entity for this purpose and shall respond to requests for access to records transmitted by Covered Entity within fifteen (15) calendar days of receipt of the request by producing the records or verifying that there are none.

- b) If Business Associate maintains an Electronic Health Record with PHI, and an individual requests a copy of such information in an electronic format, Business Associate shall provide such information in an electronic format to enable Covered Entity to fulfill its obligations under the HITECH Act, including but not limited to, 42 U.S.C. section 17935(e).
- c) If Business Associate receives data from Covered Entity that was provided to Covered Entity by the Social Security Administration, upon request by Covered Entity, Business Associate shall provide Covered Entity with a list of all employees, contractors and agents who have access to the Social Security data, including employees, contractors and agents of its subcontractors and agents.

15. Access by Covered Entity and Secretary of Health & Human Services.

Business Associate agrees to allow Covered Entity and the Secretary of the Department of Health & Human Services access to its books, records and internal practices with respect to the disclosure of PHI for the purposes of determining the Business Associate's compliance with the HIPAA Privacy Regulations. If Business Associate is the subject of an audit, compliance review, or complaint investigation by the Secretary or the Office of Civil Rights, U.S. Department of Health and Human Services, that is related to the performance of its obligations pursuant to this HIPAA Business Associate Agreement, Business Associate shall notify Covered Entity and provide Covered Entity with a copy of any PHI that Business Associate provides to the Secretary or the Office of Civil Rights concurrently with providing such PHI to the Secretary. Business Associate is responsible for any civil penalties assessed due to an audit or investigation of Business Associate, in accordance with 42 U.S.C. section 17934(c).

Contractor shall respond to such individual within sixty (60) calendar days of such a request either by making the correction and informing the individual of such correction or notifying the individual in writing that the request was denied, which notice shall provide an explanation for the denial and explain that the individual may submit a statement of disagreement with the denial. Any request to amend Federal Tax Information shall be forwarded to the Exchange within five (5) calendar days.
- 5. Openness and Transparency.** Contractor shall make available to individuals its applicable policies, procedures, and technologies that directly affect such individuals and/or their Personally Identifiable Information.

Contractor shall allow individuals to request a restriction on the uses and disclosures of their Personally Identifiable Information, and such requests shall be granted if it is reasonably possible to do so.
- 7. Limitations.** Contractor represents and warrants that all Personally Identifiable Information shall be collected, used, and/or disclosed under this Agreement only to the extent necessary to accomplish a specified purpose under the terms of this Agreement or as permitted by the Exchange Requirements and never to discriminate inappropriately.

In furtherance of compliance with such requirements, specific safeguards and procedures that Contractor shall comply with are:
- a. Contractor shall encrypt all Personally Identifiable Information that is in motion or at rest, including but not limited to data on portable media devices, using commercially reasonable means, consistent with applicable Federal and State laws, regulations and agency guidance, including but not limited to the U.S. Department of Health and Human Services Guidance Specifying the Technologies and Methodologies That Render Protected Health Information Unusable, Unreadable, or Indecipherable to Unauthorized Individuals for Purposes of the Breach Notification Requirements or issued by the National Institute for Standards and Technology ("NIST") concerning the protection of identifiable data such as Protected Health Information and/or Personally Identifiable Information. Identifiable Information by Contractor or its subcontractors or agents in violation of the requirements of this Exhibit or applicable privacy and security laws and regulations and agency guidance.

- f. Contractor shall destroy Personally Identifiable Information in a manner consistent with applicable State and Federal laws, regulations, and agency guidance on the destruction of Personally Identifiable Information.
 - g. If Contractor receives data from the Exchange that was provided by the Social Security Administration (SSA), Contractor shall comply with the substantive privacy and security requirements in the Computer Matching and Privacy Protection Act Agreement between the SSA and the California Health and Human Services Agency (CHHS) and in the Agreement between the SSA and the California Department of Health Care Services, known as the Information Exchange Agreement (IEA), which are attached as Attachment B and incorporated into this Exhibit. The specific sections of the IEA with substantive privacy and security requirements to be complied with are sections E, F, and G, and in Attachment 4 to the IEA, Electronic Information Exchange Security Requirements, Guidelines and Procedures for Federal, State and Local Agencies Exchanging Electronic Information with the SSA.. Upon request, Contractor shall provide the Exchange with a list of all employees, contractors and agents who have access to the Social Security data, including employees, contractors and agents of its subcontractors and agents.
- 10. Accountability.** Contractor shall monitor compliance with the fair information practices set out in this section and shall take appropriate actions to ensure adherence with them.

III. Termination of Agreement.

- 1. Termination Upon Material Breach.** The Covered Entity may, in its sole discretion, terminate the Agreement, including this Agreement, upon determining that Business Associate violated a material term of this Agreement. If the Covered Entity makes such a determination, it shall inform Business Associate in writing that the Covered Entity is exercising its right to terminate this Agreement under this Section II.1 and such termination shall take effect immediately upon Business Associate receiving such notification of termination.
- 2. Reasonable Steps to Cure Material Breach.** At the Covered Entity's sole option, the Covered Entity may, upon written notice to Business Associate,

**EXHIBIT D
(Agent Agreement)**

allow Business Associate an opportunity to take prompt and reasonable steps to cure any violation of any material term of this Agreement to the complete satisfaction of the Covered Entity within ten (10) days of the date of written notice to Business Associate. Business Associate shall submit written documentation acceptable to the Covered Entity of the steps taken by Business Associate to cure any material violation. If Business Associate fails to cure a material breach within the specified time period, then the Covered Entity shall be entitled to terminate this Agreement under Section II.1 above, if feasible, or, if it is not feasible to terminate this Agreement, to report Business Associate's material breach to the Secretary of the Department of Health and Human Services.

- 3. Amendment.** Covered Entity may terminate this Agreement upon thirty (30) days written notice in the event (i) Business Associate does not promptly enter into negotiations to amend this Agreement when requested by Covered Entity pursuant to Section VI of this Agreement, or (ii) Business Associate does not enter into an amendment to this Agreement providing assurances regarding the safeguarding of PHI that Covered Entity, in its sole discretion, deems sufficient to satisfy the standards and requirements of HIPAA, the HIPAA Regulations and/or the HITECH Act.
- 4. Return of PHI to Covered Entity Upon Termination.** Upon termination of the Agreement for any reason, Business Associate shall return all PHI to the Covered Entity. The Covered Entity may request in writing that Business Associate destroy all PHI upon termination of this Agreement rather than returning PHI to the Covered Entity. If the return or destruction of PHI is not feasible upon termination of the Agreement, then Business Associate shall explain in writing, directed to the Covered Entity's Chief Privacy Officer, why such return or destruction is not feasible. If such return or destruction is not feasible, then Business Associate agrees that it shall extend its obligations under this Agreement to protect the PHI and limit the use or disclosure of PHI to the purposes, which make return or destruction of PHI infeasible.
- IV. Conflicts.** The terms and conditions of this Agreement will override and control over any conflicting term or condition of other agreements between the parties. All non-conflicting terms and conditions of such agreements shall remain in full force and effect.
- V. No Third-Party Beneficiary Rights.** Nothing express or implied in this Agreement is intended or shall be interpreted to create or confer any rights, remedies, obligations or liabilities whatsoever in any third party.
- VI. Notice.** Except as otherwise provided in Section I.12(a), any notice permitted or

**EXHIBIT D
(Agent Agreement)**

required by this Agreement will be considered made on the date personally delivered in writing or mailed by certified mail, postage prepaid, to the other party at the address set forth in the execution portion of this Agreement.

VII. Amendment. The Parties agree to take such action as is necessary to implement the standards, requirements, and regulations of HIPAA, the HIPAA Regulations, the HITECH Act, and other applicable laws relating to the security or confidentiality of health information. Upon Covered Entity's request, Business Associate agrees to promptly enter into negotiations with Covered Entity concerning the terms of any amendment to the Agreement consistent with the standards, requirements and regulations of HIPAA, the HIPAA Regulations, the HITECH Act or other applicable laws.

VIII. Relationship of the Parties. The Parties hereto acknowledge that Business Associate shall be and have the status of independent contractor in the performance of its obligations under the terms of this Agreement as to Covered Entity. Nothing in this Agreement shall be deemed or construed to create a joint venture or partnership between Covered Entity and Business Associate.

IX. Indemnification.

1. Indemnification by Business Associate. Business Associate shall protect, indemnify and hold harmless the Covered Entity, its officers and employees from all claims, suits, actions, attorney's fees, costs, expenses, damages, judgments or decrees arising out of the failure by Business Associate to comply with the requirements of this Agreement, the Privacy Regulations and all Future Directives; provided however that such indemnification shall be conditioned upon the Covered Entity giving prompt notice of any claims to Business Associate after discovery thereof and cooperating fully with Business Associate concerning the defense and settlement of claims.

X. Miscellaneous.

1. Exception to Limitations and Exclusions. Business Associate's obligations under this Agreement and any breach by Business Associate of the obligations in this Agreement shall not be subject to any limitations on damages suffered by Covered Entity that may be specified in any agreement, invoice, statement of work or similar document setting forth the services Business Associate is providing to Covered Entity ("Contract"). No limitation or exclusion in any Contract shall limit Covered Entity's rights to recover from Business Associate damages, losses or sanctions suffered by Covered Entity to the extent of amounts recovered by, or sanctions awarded to, a third party which are caused by Business Associate's breach of the

**EXHIBIT D
(Agent Agreement)**

obligations in this Agreement, regardless of how such amounts or sanctions awarded to such third party are characterized.

CERTIFIED INSURANCE AGENT LOGO

The Certified Insurance Agent logo was developed to designate insurance agents who have met the requirements established by Covered California™. This logo is available to Certified Insurance Agents to use on their websites, business cards, letterhead and other communications materials.

The logo is available in three different formats: EPS, JPG and PNG. Always use the electronic artwork appropriate for your application:

PRINT

Use EPS files for print applications.

WEB

Use JPG files for online applications.

MICROSOFT WORD

Use JPG files in Microsoft Word and other word-processing applications.

POWERPOINT

Use PNG files in PowerPoint applications.

CLEAR SPACE

Please follow these logo specifications to ensure maximum visibility and legibility in all communications.

CLEAR SPACE

The minimum clear space for the logo is "X," where "X" is equal to the height of the words "Certified Insurance" in the logo.

MINIMUM SIZE

Follow these specifications for minimum size when scaling the logo. Do not reduce any smaller than indicated by the numbers beneath the examples.

INCORRECT USAGE

The logo should be used according to the specifications in this brand guide. Always use the approved artwork provided and do not alter the logo in any way. Here are some examples of incorrect usage.

TYPEFACES

Do not change the typeface of the wordmark.

COLOR

Do not change the colors of the logo.

ARRANGEMENT

Do not rearrange the position of the logo components.

WORDMARK

DISTORTION

Do not distort or stretch any part of the logo.

CHANGED LANGUAGE

COVERED CALIFORNIA LOGO

The Covered California™ logo visually represents the diverse population that will access health care coverage through the marketplace. Nested C's rotated 90 degrees clockwise embody the concept of coverage in a protective umbrella shape, while subtly referencing the brand name.

The name is set in a contemporary sans-serif typeface that communicates clearly and effectively while supporting the clean, friendly style of the iconography.

The preferred version of the Covered California logo is the vertical configuration in full color. **The full-color logo should only appear against a solid white background.**

Secondary versions of the logo, including grayscale, one-color (black) and reverse (white), should be used only in instances when color artwork and layouts are not possible, such as black-and-white newspaper print ads.

LOGO CONFIGURATIONS

VERTICAL LOGO PREFERRED VERSION

This is the preferred logo version. Use it wherever possible to ensure that the identity is communicated consistently and effectively.

HORIZONTAL LOGO SECONDARY VERSION

The horizontal logo has been designed for short, elongated formats — instances where the available space is insufficient for the vertical logo.

NOTE: In addition to the primary EPS versions of the logo, JPG and PNG versions are also available for digital use. Always select the electronic artwork appropriate for your application.

LOGO SIZING

Follow these specifications for minimum size when scaling the logo. Do not reduce any smaller than indicated by the numbers beneath the examples.

To ensure this across all uses of the logo while maintaining a visual balance between the mark and the TM, there are two sizes available for use (a small and regular version) for each configuration of the logo. These may be scaled within the sizes specified.

Use of trademark legal line is required:

Covered California is a registered trademark of the state of California.

Publications and print materials must include the legal line. The footer is a recommended location for the legal line.

PARTNER LOGO LOCK-UP GUIDELINES

There will be times when you may want to place the Covered California™ logo next to your logo — a logo lock-up. In such instances, always separate the logos with a dividing line. When creating a lock-up using the vertical logo, space each logo so that they are one X-height apart, where “X” is equal to the height from the bottom of the logotype to the bottom of the logomark.

In instances where the horizontal logo is used, space each logo so that they are one X-height apart, where “X” is equal to the height of the logotype.

When sizing the logos, make sure that they all have equal prominence. Because partner logos may vary in shape, the logos should appear optically equal even if they are not the exact same size.

Please note that this is not the only manner in which both the Covered California logo and a partner logo may appear within the same space. But if it is desired to place the two logos in close proximity, follow the guidelines above.

Since each State agency with which you do business must have a separate STD. 204 on file, it is possible for a payee to receive this form from various State agencies.</p> <p>Payees who do not wish to complete the STD. 204 may elect to not do business with the State. If the payee does not complete the STD. 204 and the required payee data is not otherwise provided, payment may be reduced for federal backup withholding and nonresident State income tax withholding. Amounts reported on Information Returns (1099) are in accordance with the Internal Revenue Code and the California Revenue and Taxation Code.</p>

The mailing address should be the address at which the payee chooses to receive correspondence. Do not enter payment address or lock box information here.</p>

The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State provide their Taxpayer Identification Number (TIN). The TIN is required by the California Revenue and Taxation Code Section 18646 to facilitate tax compliance enforcement activities and the preparation of Form 1099 and other information returns as required by the Internal Revenue Code Section 6109(a).</p> <p>The TIN for individuals and sole proprietorships is the Social Security Number (SSN). However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.</p> <p>Payments to all nonresidents may be subject to withholding. Nonresident payees performing services in California or receiving rent, lease, or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for State income taxes.
