COVERED CALIFORNIA BOARD CLIPS

August 19, 2016 – October 19, 2016

Since the August 18 board meeting, high-visibility media issues included: a Kaiser Family Foundation survey revealing that 72 percent of previously uninsured Californians now have health insurance, a dramatic drop and the announcement of the 2017 Covered California rates for small business.

Since the August 18 board meeting, the term “Covered California” was mentioned 4050 times in a Google search and the phrase “California Health Benefit Exchange” was mentioned once. The following clips are a cross-section of media outlets and coverage.
