WEBSITE UPDATE
The last major release for CalHEERS was deployed August 1, 2016 and included:

- The ability for certain families with APTC to obtain coverage under different plans (within the same family)
- Enhancements for consumers seeking referrals for Other Non-Health Services such as CalWORKs or CalFRESH
The final major release scheduled prior to next Open Enrollment (September 2016) is planned to include:

- A major upgrade to the platform for consumer choice/plan selection
  - Includes the ability for consumers to “shop” and save their selections through the application process
- Enhancements to the renewal process, including Family Dental
- Enhancements for the Service Center to allow improved assistance to consumers
  - Automated workflow
  - Ability to correct consumer or other errors independently (without reliance on submitting “tickets” and waiting in queue)
- Ability for consumers to “opt in” to receiving in-person assistance if needed in the future
- A long-term solution for duplicate cases between CalHEERS and SAWS
- Improvements to data reporting for CMS
24 MONTH COVEREDCA.COM ROADMAP UPDATES

• The first release for 2017 planned for the first quarter is planned to include:
  o Enhancements to information shared with the SAWS
    ▪ MAGI income information passed to the SAWS (“Business Rules Exposure”)
  o Enhancements to Income Data Quality and Usability
  o Enhancements to Delegations
    ▪ Add ability to maintain CEC delegations to allow for continued assistance to consumers
  o Enhancements to Document Management
    ▪ Ability for Service Center Representatives to upload documents to a consumer case outside of the initial application
    ▪ Ability for Service Center Representatives to reprint and re-mail documents to consumers through the print vendor
Outside of CalHEERS, several changes impacting consumers have been implemented or are planned:

- In conjunction with Covered California University, an updated knowledge base for Service Center Representatives was implemented. (June 2016)
- A year-long consolidation of records in our Customer Relationship Management software was completed. This consolidation allows Service Center Representatives to better serve consumers seeking assistance, and will improve future marketing efforts. (July 2016)
- An upgrade of the enterprise to Office 365 and instant messaging provides the Service Center enhanced ability to communicate instantly with supervisors and managers for assistance on calls.
- The first renewal of Covered California’s Authority to Connect to federal services was completed, allowing Covered California to continue to electronically verify consumers participation in the Exchange. (July 2016)
- “Courtesy call back” was implemented in the Service Center (August 2016)
  - Allows consumers to keep their place in queue and receive a call back instead of holding for the next available agent
- The “Shop and Compare” application was decommissioned August 1, 2016 in preparation for an enhanced consumer shopping experience rolling out from CalHEERS (September/October 2016)
