

19. Covered California Quality Improvement Strategy (QIS) - INSTRUCTIONS

Section 19.2 of the QIS requires applicants to submit data for each initiative area. Some questions can be completed while others require completion using this reporting template.

Each sheet corresponds with a question from the QIS and can be linked using the number on the tab. Some questions require a data point. The cell(s) requiring a data point are outlined in **bold dark red**. If data are not available for any of these questions, an explanation in the details box. Please report best available data and information including new payment strategies. The date for the Certification Application for 2018 shall be reported by the end of the third quarter of 2017.

Please do not adjust the formatting or settings of the table and charts. This reporting template will be used in 7 requirements.
