

Title 10. Investment

Chapter 12. California Health Benefit Exchange

Article 4. General Provisions

§ 6532. Employer Payment of Premiums.

(a) Upon completion of the initial employee open enrollment period by all of the qualified employees of a qualified employer, the SHOP will send an invoice to the qualified employer for the total premium amount due for all of that qualified employer's qualified employees.

(1) A qualified employer's first premium payment shall be no less than 85 percent of the total amount due and must be delivered to the SHOP or postmarked by the due date indicated on the invoice, for effectuation to occur on the date requested on the employer's application.

(2) If a qualified employer's first payment does not meet the requirements in subdivision (a)(1), the SHOP will cancel the application of that qualified employer and the applications of that employer's qualified employees.

(b) Once coverage is effective, the SHOP will send invoices to qualified employers on the 15th of each month, or the following business day if the 15th falls on a weekend or holiday, for health insurance coverage for the following month.

(1) A qualified employer's monthly premium payment must be delivered to the SHOP or postmarked by the last day of the invoicing month.

(2) After the first invoice, the qualified employer must make a monthly premium payment of no less than 85 percent of the total balance due, including any amounts past due, by the due date on the invoice.

(c) If a qualified employer makes a payment for less than the full amount due, the payment will be allocated by the total percentage paid across all amounts due for health and dental benefits, if any.

(d) In any month after a qualified employer has paid its initial month's premium, if a qualified employer does not pay its premium pursuant to subdivision (b) of this section, the SHOP will, on the day following the due date of the invoice, mail a notice of delinquency to the qualified employer that shows the past due balance, informs the qualified employer of the applicable grace period pursuant to Section 10273.4(a)(1) of the California Insurance Code and Section 1365(a)(1) of the California Health and Safety Code, states the effective date of termination if payment is not received during the grace period, provides instructions for making the premium payment necessary in order to maintain coverage in force, and provides notice of the qualified employer's right to request review of the cancelation by the applicable regulator.

(e) If a qualified employer makes a premium payment ~~via check~~ that is returned unpaid for any reason, the SHOP shall apply a ~~\$25.00 insufficient funds fee~~ reasonable charge for the returned payment that reflects the actual cost incurred for processing returned payments. A reasonable charge for this service shall be set annually by Covered California, shall not exceed the actual cost incurred for processing and the same charge shall apply to each returned payment. This reasonable charge shall be noticed annually to all qualified employers on the premium invoice. If a qualified employer makes a second premium payment that is returned unpaid for any reason within six months of the prior returned payment, the qualified employer shall submit premium payment and the reasonable charge for returned payment in the form of a

cashier's check or money order. This requirement shall continue for a period of 12 months beginning with the first of the month following the last paid-through date. If premium payment is not submitted in one of these two forms, the qualified employer group may be subject to termination of non-payment of premium as described in 6538(c)(2).

(f) If a qualified employer has been terminated pursuant to Section 6538(a), then the group may request to be reinstated in the same coverage in which it was last enrolled within 30 days after the effective date of termination. Past due premiums, if any, must be paid before a group may be reinstated without a lapse in coverage.

(g) A qualified employer terminated due to non-payment of premium in Section 6538(c) may request to be reinstated in the same coverage in which it was last enrolled within 30 days after the effective date of termination. Past due premiums, if any, must be paid before a group may be reinstated without a lapse in coverage.

(h) A qualified employer may not reinstate coverage 31 or more days following the effective date of termination and may only reinstate once during the 12-month period beginning at the time of their original effective date or from their most recent renewal date, whichever is more recent. Exceptions will be considered on a case-by-case basis.

(i) Terminated groups seeking to reapply for coverage 31 or more days following the effective date of termination shall be considered a new group with an effective date consistent with the provisions of this Section and Section 6520 (a)(13).

(j) Collections for delinquent accounts payable will be performed as per State Accounting Manual (SAM) section 8776.6 (non-employee accounts receivable).
