Endnotes to 20262025 Dental Standard Benefit Plan Designs

The plans shall use either the <u>2025</u>2024 CDT codes as they appear in this Standard Benefit Design, or the updated <u>2026</u>2025 CDT codes at their discretion. Covered California understands that plans may want to use the updated <u>2026</u>2025 CDT codes, to the extent that these codes do not diminish the benefits required in the Benchmark Plan. Covered California requests that the plan remain consistent in their use of one of the years CDT codes within a benefit design.

Pediatric Dental EHB Notes (only applicable to the pediatric portion of the Children's Dental Plan, Family Dental Plan)

- 1) In a coinsurance plan, each child is responsible for the individual deductible unless the family deductible has been met. Once a child's individual deductible or the family deductible is reached, cost sharing applies until the child's out-of-pocket maximum is reached.
- 2) Deductible is waived for Diagnostic and Preventive Services.
- 3) Cost sharing payments made by each individual child for in-network covered services accrue to the child's out-of-pocket maximum. Once the child's individual out-of-pocket maximum has been reached, the plan pays all costs for covered services for that child.
- 4) In a plan with two or more children, cost sharing payments made by each individual child for in-network services contribute to the family in-network deductible, if applicable, as well as the family out-of-pocket maximum.
- 5) In a plan with two or more children, cost sharing payments made by each individual child for out-of-network covered services contribute to the family out-of-network deductible, if applicable, and do not accumulate to the family out-of-pocket maximum.
- 6) Administration of these plan designs must comply with requirements of the pediatric dental EHB benchmark plan, including coverage of services in circumstances of medical necessity as defined in the Early Periodic Screening, Diagnosis and Treatment (EPSDT) benefit.
- 7) Member cost share for Medically Necessary Orthodontia services applies to course of treatment, not individual benefit years within a multi-year course of treatment. This member cost share applies to the course of treatment as long as the member remains enrolled in the plan.
- 8) To the extent the dental plans can offer Teledentistry, it would be offered at no charge.
- 9) These Endnotes do not limit an issuer's obligations to comply with applicable Federal, State, or local laws, rules, or regulations. In the event an issuer is subject to a newly enacted or amended law, rule, or regulation that conflicts with the requirements of these Endnotes, an issuer shall comply with the law, rule, or regulation and any applicable guidance from its regulatory authority. Where these Endnotes exceed requirements imposed by law, an issuer shall comply with the requirements in these Endnotes.

Adult Dental Benefit Notes (only applicable to the Family Dental Plan)

- 10) Each adult is responsible for an individual deductible.
- 11) Deductible is waived for Diagnostic and Preventive Services.
- 12) Tooth whitening, adult orthodontia, implants, veneers, and adult services noted as Not Covered on the Copayment Schedule are not covered services.
- 13) The six month waiting period for major services must be waived upon a member's provision of proof of prior comparable dental coverage. This waiting period shall be prorated on a one to one monthly basis upon a member's provision of proof of prior comparable dental coverage of less than six months. Covered California leaves it to the plan to determine acceptable documentation to verify prior proof of coverage. Covered California leaves it to the plan to determine the maximum allowable gap in coverage before proration of the six month waiting period would no longer occur. Dental services obtained via a discount health plan are not considered "comparable" dental coverage for purposes of counting towards the waiting period.
- 14) To the extent the dental plans can offer Teledentistry, it would be offered at no charge.
- 15) These Endnotes do not limit an issuer's obligations to comply with applicable Federal, State, or local laws, rules, or regulations. In the event an issuer is subject to a newly enacted or amended law, rule, or regulation that conflicts with the requirements of these Endnotes, an issuer shall comply with the law, rule, or regulation and any applicable guidance from its regulatory authority. Where these Endnotes exceed requirements imposed by law, an issuer shall comply with the requirements in these Endnotes.
